

70 Years of
\$70 for **RED**

Why Red Blazers?

In FCCLA, red symbolizes strength, courage, and determination. FCCLA red blazers are the symbol of leadership, professionalism and service to the organization. Students work extremely hard to earn the honor of wearing the official red blazer while serving in a leadership role.

Remove Financial Barriers

These jackets can be expensive for students; therefore the State Association would like to have several on hand so that students would have the option of checking out a blazer for their term in office. Your one-time \$70 donation will help local chapters. This money will be used to finance a grant program for chapters to purchase sets of red polo's for their members. This money will be used to finance a grant program for chapters.

The donation is to commemorate Nebraska FCCLA's 70th year.

I own a FCCLA blazer that I would be interested in donating or selling to the State Association.

Fill-in & mail to:
Grafton & Associates, P.C. ATTN Denise Winters, 5935 South 56th, Suite A, Lincoln, NE 68516
