

## Red and White Chapter Affiliation Awards

The Red and White Chapter Affiliation Awards are designed to encourage FCCLA members and advisers to recruit FCCLA members from their Family and Consumer courses. These students often have background knowledge of FACS and have the opportunity to learn about and interact with FCCLA within the classroom on a regular basis.

The level of award will be determined by the following formula:

$$\frac{\text{\# of nationally affiliated FCCLA members}}{\text{\# of students enrolled in FACS courses}} \times 100$$

The following levels will be honored:

White Chapter = 75% - 100%

Red Chapter=101%-125%

Red and White Chapter = +126%

Red Rose Chapter = greatest percentage reported
